# HOW CAN YOU CONTRIBUTE?

- Documentation
- Fix typos
- Fix bugs
- Suggest ideas
- Review code
- Report bugs

# HOW CAN YOU GET ENGAGEMENTS?

- **README.md** is heart of your project
- **License** your project
- Have **CONTRIBUTING.md** & **CODE\_OF\_CONDUCT.md**
- Have **PR** & **ISSUE** template
- Label your issue properly
- Engage with the community via Issue thread conversations
- Maintain the quality of code
- Add relevant topics
- Use GitHub pages (Jekyll themes) to deploy your docs
- Setup GitHub actions/Travis pipelines to run your tests
- Follow proper branching strategy
- Use your **Profile README.md** feature well
